To all job applicants:

Thank you for your interest in Stresau Laboratory.

Please be advised that Stresau does not accept applications directly, unless specifically requested in a position opening. Should we have a current position opening, that opening will be listed in our *Employment* section, along with a brief job description. All applications for open positions must be made through the Wisconsin Job Center / NWCEP, and must include completion of the Stresau 4-page paper application.

Please do not make a phone call to Stresau inquiring about your application status – we do NOT accept phone inquiries. *Thank you!*
